ASN Sr. Sec. School

Confidence, an urge to never give up and an undying belief in ones abilities are the main elements to turn ones dream into realities. We at ASN provide learning environment and opportunities to the students to recognize their aptitudes and inner abilities through a wealth of programs which help them carve a home for themselves in any global grid.

Well planned and with an optimum blend of modern pedagogies, the learners inherit the skill to learn through enquiry and reason, to develop vital personal and social values which transform them into an adaptive, responsive and humane individual. We value igniting the spark of creativity and curiosity in our learners.

I extend my heartiest congratulations to all the achievers who had brought accolades and laurels to school in the field of scholastic and co- scholastic activities. My greatest appreciation always has been working with my team of dynamic teachers who always are thriving with innovative teaching strategies to make teaching learning an enriching experience that make ASN a "Great Place to Grow". I strongly believe that parental involvement in a child's education process along with a healthy and regular interaction with the teacher and the taught ensures a healthy and happy learning. This partnership is highly valued at ASN.

I welcome and value your contribution to excellence in education and look forward to working with you and your children towards moulding them into responsible global citizens of tomorrow.
