Subject: Invitation for ASN Young Leaders G20 International Summit

Dear Ma'am / Sir

Greetings from ASN!

Ours is a progressive school for 21st century learners, committed to preparing global denizens with sustainable mindsets and actions for a sustainable planet. Our key focus areas are **Education for Sustainability, Education with Global perspective, Education for Climate Change and Education for Social responsibility and Leadership**. The school has worked rigorously on 17 UN Sustainable Development Goals advocacy through extensive exhibitions, sensitization programs, Inter-school competitions, Youth Summits, International Conferences and various Community outreach initiatives. We take pride in the title, **'First SDG Lab of India' conferred on us by United Nations Information Centre for India and Bhutan** for our commendable work on SDGs.

It is indeed a momentous occasion for all Indians as India assumes the presidency of the G20 Forum and plays an important role in finding pragmatic global solutions for the wellbeing of all, and in doing so, manifest the true spirit of 'Vasudhaiva Kutumbakam' i.e. 'World is One Family'.

In continuation to our online event **ASN G20 International Fest @ India** which witnessed an overwhelming response from schools PAN India and abroad, I take this opportunity to invite you for our offline event, **ASN Young Leaders G20 International Summit 2023 in collaboration with United Nations Information Centre for India and Bhutan (UNIC), AFS Intercultural Programs India, Sustainable World Learners Foundation, Confederation of Indian Industry (CII)-Young Indians, Centre for Environment Education (CEE) and Foundation for Environmental Education (FEE)**.

This summit is a perfect ground for celebrating cultural diversity, honing leadership and communication skills, fostering exchanged based learning experiences, empowering young voices to build sustainable and peaceful world in face of triple planetary crisis.

The highlight of the summit is **Paper Presentation and Communique preparation**. **The delegates will get an opportunity to hear the deliberations on the sectors of G20 by the experts from various walks of life**. It will be an excellent interactive platform for the participants to review, analyse and ponder on the strategies pertaining to various sectors of G20.
