# Summer Fun Activities

Class: **V**

**Session : 2022-23**

*Exciting time is here! It's time for fun-filled activities, ensuring Good Health, Eat Light, Breathe Deeply, Live Moderately, Cultivate Cheerfulness And Maintain an Interest in Life'.*

Dear Parents

It is the time of the year when children connect with the family in many ways. We wish that our children pursue indoor hobbies, eat right, connect with friends and relatives, go to their favourite summer spots virtually and indulge in their most loved activities. Promise to help our children in doing so. To fruitfully engage our children these days, we have prepared some interesting and engrossing activity sheets /models that will broaden their analytical horizon and pamper their creative skills. We do hope that our young children will enjoy these with their family.

Wishing you a very enjoyable and happy vacation!

*Stay Happy, Stay Healthy, Stay Safe, Stay Connected, Stay Blessed always!*

**A few suggestions for the parents: -**

- *Spend quality time with your children and have fun time together.*
- *Help the children to become independent by giving them responsibilities. Involve them in small household activities.*
- *Inculcate in them good manners, healthy habits and respect for elders.*
- *Converse with your children in English.*
- *Encourage your children to read books to enhance their language skills. Reading will also boost their interpretative skills and provide them valuable literary experience.*
- *Cultivate sportsmanship by encouraging your children to play various Indoor games.*

- *Remember that Summer Vacation is the time to relax and enjoy. So, spend these holidays creating a nurturing and stimulating environment filled with fun, frolic, learning and education.*
- *Have a family dinner every day.*
- *Play board games with your parents and sibling and show them who is the smartest.*
- *Spend some quality time with an elderly person in the family and ask them to share their childhood days.*

### **General Instructions for Students: -**

- *Follow the instructions given carefully with each activity.*
- *You can take help of the internet, newspapers, magazines, encyclopaedia to collect information and pictures.*
- *Make your activity sheets/models presentable and attractive and label it neatly (Name, Class, Section and name of the Activity)*
- *Date will be given for the submission of Holiday Homework, so please don't send it on the first day.*
- *Happy Holidays*

## **ENGLISH**

### **Activity 1 (T-shirt Designing)**

A positive change, no matter how small, holds the ability to create a lasting ripple of change in the long run. If we as an individual do our bit, what a massive change we can create. Let's get together and spread awareness to adopt positive everyday habits that can go a long way in saving the environment & making the Earth a sustainable planet to live. Write a slogan on any 1 of the 17 UN Sustainable Development Goals" on a T – Shirt. Also, you can design a related picture beautifully

on that T-shirt. My dear children, I'm sure you will come up with your innovative and creative ideas.
